## **Lirik lagu "If I Were A Boy"**

### ***(Verse 1)***

*If I were a boy  
Even just for a day  
I'd roll outta bed in the morning  
And throw on what I wanted and go  
Drink beer with the guys  
And chase after girls  
I'd kick it with who I wanted  
Cause they'd stick up for me*

### ***(Chorus)***

*If I were a boy  
I think I could understand  
How it feels to love a girl  
I swear I'd be a better man  
I'd listen her  
Cause I know how it hurts  
When you lose the one you wanted  
Cause he's taken you for granted  
And everything you had got destroyed*

### ***(Verse 2)***

*If I were a boy  
I would turn off my phone  
Tell everyone it's broken  
So they'd think that I was sleeping alone  
I'd put my self first*

*And make the rules as I go  
Cause I'd know that she'd be faithful  
Waiting for me to come home, to come home*

***BACK TO CHORUS 1***

***(Bridge)***

*It's a little too late for you to come back  
Say it's just a mistake  
Think I'd forgive you like that  
If you thought I would wait for you  
You thought wrong*

***(Chorus 2)***

*But you're just a boy  
You don't understand (yeah you don't understand)  
How it feels to love a girl somebody  
You'll wish you were a better man  
You don't listen to her  
You don't care how it hurts  
Until you lose the one you wanted  
Cause you've taken her for granted  
And everything you have got destroyed  
But you're just a boy*

## **BACK TO HOOK**

### **Part 2 – Flawless**

**(Intro by Chimamanda Ngozi Adichie)**

*We teach girls to shrink themselves, to make themselves smaller*

*We say to girls : “You can have ambition, but not too much*

*You should aim to be successful, but not too successful*

*Otherwise, you will threaten the man”*

*Because I am female, I am expected to aspire to marriage*

*Always keeping in mind that marriage is the most important*

*Now, marriage can be a source of joy and love and mutual support*

*But why do we teach girls to aspire marriage*

*And we don't teach boys the same ?*

*We raise girls to see each other as competitors*

*Not for jobs or for accomplishments, which I think can be a good thing*

*But for the attention of men*

*We teach girls that they cannot be sexual beings in the way that boys are*

*Feminist : a person who believes in the social, political and economic equality of the sexes*

**(HOOK – Beyonce)**

*Post up, flawless*
