## Acknowledgement

In the Name of Allah, the Most Gracious, the Most Merciful. All praises and thanks to be Allah who gave me mercy, change and health to accomplish this research.

Firstly, I would like to thanks my lovely and kindhearted supervisor, Miss Puput Arfiandhani, without her this research would not finish. Thank you for her sharing knowledge to finish this research. I also would like to thank her for supporting me doing this research. I always remember her supporting words “*Semangat Ai*” which always keep me on fire to do this research. I also would like to thank her for her patient and time to guide me doing this research. Moreover, I also would like to thanks my examiners, Miss Fitria Rahmawati and Miss Arifah Mardiningrum as my examiners for giving me directions and feedbacks about this research. Thank you for your time and positive feedbacks for my research.

Special thanks to my beloved parent, Papa Yusril and Mama Yuni Masroh for all love, help and support me mentally and financially. I also thanks to my beloved twin sister, Suci Ramadhani who always understand and support me all this time. Moreover, I also would like to thanks my oldest brother, Jerry Hadya Putra and my youngest sister, Sonia Yolanda who always support and cheer me up when I am feeling down. Big thanks to my Family.

I also thanks to my *Powerpuff Girl* group (Solasido, Beruang, Rekas, Geges and Cicai) who always help and motivate me from the first semester until now. Thank you for understanding me. Thank you for the beautiful friendship guys.

Last but not least, I would like to thanks my classmates (class C EED of UMY batch 2013) for supporting and helping me in all of semester. Sorry that I can not mention your name one by one. Then, you are the best guys.
