## **ACKNOWLEDGEMENT**

Bismillahirrahmanirrahim.

Assalamu'alaikum wa rahmatullahi wa barakatuh.

Alhamdulillah, praise be to Allah Subhanahu wa Ta'ala for blessing the writer with health and joy for finally finishing this undergraduate thesis Salawat and Salam to Rasulullah Shallallahu Alaihi wa Salam. Hopefully, His shafa'at will be abundant in days later.

This undergraduate thesis "Analysis of the Impact Of Local Original Revenue, Government's Expenditure, Population And Fiscal Decentralization On Economic Growth Special Districts Of Yogyakarta (Case Study 5 Districts/Cities In DIY)" is submitted as partial fulfillment to achieve bachelor degree of economics, focusing on Islamic economics and finance. The process of writing this undergraduate thesis has involved directly and indirectly many people and parties that the writer would like to express gratitude to all people and parties below:

1. My family, especially for my beloved parents who have educated me and give motivation, pray for me and love me.
2. Ibu Dyah Setyawati Dewanti, S.E., M.Sc as my undergraduate thesis advisor and who has provided guidance and suggestions to the author since the beginning of the study until the completion of this thesis writing.
3. Bapak Romi Bhakti Hartarto, S.E., M.Ec as my co-supervisor who has provided guidance and suggestions to complete the preparation of this thesis.
4. The entire Lecturer and Staff in International Program for Islamic Economics and Finance for all of the knowledge given to the author in which this knowledge really help the author in doing the research. Hopefully, these knowledge may be beneficial for a human being.

5. My friends in college, an especially entire friend in IPIEF. Thank you for the togetherness we have been through.

In addition to people above, there are other people and parties, which gave much supports and helps during the making of this minor thesis, but the author could not mention one by one. However, the writer, by this chance would like to say thank you and send best regards to all unstated parties for the hopes that God will bless all the mentioned and unmentioned parties of their kindness. You know who you are.

Finally, the author believes that this undergraduate thesis is not perfect yet, hence, the constructive corrections from outer parties are hoped and expected to enrich and lead this minor thesis into a better one. Hopefully, this undergraduate thesis would be useful in enriching the knowledge of all reader. Amin.

Wassalamu'alaikum wa rahmatullahi wa barakatuh.

Yogyakarta, April 30<sup>th</sup> 2017

Yuni Wirna Kurniati
