MOTTO

“Do not die before working and writing with remembrance the name of thy Lord, God Almighty and devote thyself to Him whole heartedly.”

(Deuteronomy 11:13, Quran 73:8, Fitri’s Mission)

Say: “Truly, my prayer and my service of sacrifice, my life and my death, are (all) for Allah, the Lord of the Worlds.” (Quran 06:162)

“O you who have believed, seek help through patience and prayer. Indeed, Allah is with the patient.” (Quran 02:153)

“Righteousness is not that you turn your faces toward the east or the west, but [true] righteousness is [in] one who believes in Allah, the Last Day, the angels, the Book, and the prophets and gives wealth, in spite of love for it, to relatives, orphans, the needy, the traveler, those who ask [for help], and for freeing slaves; [and who] establishes prayer and gives zakah; [those who] fulfill their promise when they promise; and [those who] are patient in poverty and hardship and during battle. Those are the ones who have been true, and it is those who are the righteous.” (Quran 02:177)

And [saying], “Seek forgiveness of your Lord and repent to Him, [and] He will let you enjoy a good provision for a specified term and give every doer of favor his favor. But if you turn away, then indeed, I fear for you the punishment of a great Day. To Allah is your return, and He is over all things competent.”

(Quran 11:3-4)

Say: “Nothing will happen to us except what Allah has decreed for us. He is our protector”, and on Allah let the Believers put their trust.

(Quran 09:51)

“The methods of governing an economy need to be studied in detail and be run by a God-fearing management who will ensure to build the economy in the right way and towards the right direction.”

–Husain
