Acknowledgment

In the name of Allah: the Most Gracious the Most Merciful. All the praises belongs to Allah SWT who has given me His blessing to finish this undergraduate without any big trouble. Not forgetting the shalawat and greetings I pour out to Prophet Muhammad SAW who always is my inspiration.

First, my deepest appreciation goes to my beloved parents, my mother **Hj. Siti Jamilah** for the endless love, pray, support and motivation, and my father **H. Masyhuri S.PdI** for the financial support and great advices to remind me to keep going and never give up. They also always remind me to keep praying and to be patience through this.

Second, I would like to thank my beloved sister **Ana Shofiatun Nisa, Irma Maulidatul Husna**, and my brother **Muhammad Ardyansyah** for the motivation and they never stop encourage me until the completion of my study. Their text messages annoyed me but magically give me reason to focus to finish my study as soon as possible, for that I really love them so much because they are my half of life.

Also, special thanks to my favorite woman **Lisza Yasmine** who has provided the time to listen my sadness, depression, and help me a lot to finish this undergraduate thesis. You are my special person in the bottom of my heart. I am the lucky guy to have you. All goodness and your sincerity can only be rewarded by Allah, because I have no power to do that.

I present my sincere appreciation to my supervisor **Mariska Intan Sari, SS,. MA.**, without her this thesis would not have been possible completed. For her supervision, advice, and guidance from the very early stage of this research as well as giving me extraordinary experiences throughout the past few years. Also the greatest appreciation goes to my examiner **Gendroyono, M.Pd** and **Sri Rejeki M, S.Pd, M.Ed, Ph.D** for the advice, supervision, correction and crucial contribution in the improvement of the result of this undergraduate thesis.

I would also thank to my every friends who always support me, especially my Gank Tauk; **Ocil, Anis**, and **Irul**, who encourage me to finish this thesis. They give me a lot motivation, and make me have a reason to smile no matter what. Also thanks to **Akih**, **Nanda**, **Eno**, **Safina**, **Anja**, **Hery**, and **George** for the laugh, and the life lesson we shared together. Without them, my time in Universitas Muhammadiyah Yogyakarta would feel nothing.

With my deepest gratitude and love,

Maulana Habibi
