1. What is the students' perception on the advantages of using electronic dictionary to understand English textbook at English Education Department?
2. What is the students' perception on the disadvantages of using electronic dictionary to understand English textbook at English Education Department?

Theory	Interview Protocol
Electronic dictionaries have become more and more attractive, accepted and popular to EFL learners at different levels, using electronic dictionaries in EFL classroom has gradually become an alternative to many (Zheng & Wang, 2016).	- Bisa Anda jelaskan, Seberapa sering anda menggunakan ED dalam memahami English textbook?
The most important advantage of an electronic dictionary is that it's very convenient to use. Whenever you meet new words or expressions, you can know	- Menurut Anda, apa manfaat menggunakan ED dalam memahami English textbook?

<p>the meaning quickly. You don't need to waste much time turning the page seeking for the new words. What's more, electronic dictionaries are becoming more and more advanced: they can pronounce the words clearly, provide sample sentences to illustrate word usage and store difficult words for special memorization. That's special function may help you remember some new words with high efficiency .Last but not least, the designing of electronic dictionaries are more and more portable, and they are easy for students carrying. (Jiang, 2012)</p>	
<p>Students may rely too much on the electronic dictionary (Jiang, 2012). Students do not feel obligated to learn new words and expressions because they feel that their electronic dictionary can provide it all. Then, Jiang (2012) also added that it can mislead since not all the explanations are accurate and the convenience of</p>	<ul style="list-style-type: none"> - Menurut Anda, apa kekurangan menggunakan ED dalam memahami English textbook? - Apa saja kerugian yang Anda dapatkan ketika menggunakan ED?

<p>electronic dictionary may cause students to be lazy to improve themselves in language learning. Based on (Xiuling Wu, 2016), an electronic dictionary may cause bad effects from physiological point of view and students' learning habit. It is possible for the user's eyesight to be damaged because the user will always look at the screen and will weaken the learner's vocabulary memory because they just look up the meaning of word and they often do not try to remember.</p>
