I thank to Allah Subhanallahu wa ta'ala for giving me bless, guidance, and health so that I can finished my research. Alhamdulillah bini'matihi tatimusshaalihaat. I also can finish this research because of the help of many people. Therefore, I would like to express my gratitude to them.

Firstly, I would like to express my biggest gratitude and appreciation for Mr. Endro Dwi Hatmanto Ph. D. as my supervisor who gives me a help, guide, and advice to finish this research. I also thank to him of being patient and understand in facing my limited comprehension which sometimes it might feel hard for him to make me understand. May Allah repay your kindness and patience with a better one. Jazakallahu khayran.

Secondly, I would like to give my deepest gratitude to my dearest parents who support me both financially and mentally and pray for me so that Allah give me easiness in finishing this research. I also thank to my close friend, Melati Mulya Rahma who teach patiently and give me a lot of advice in facing the difficulties in doing this research.

Special thanks go to Resti, Shofi, Tika, Delima, Puji, Desi, Rasti, and Omairah who accompany me to work on this research and became the place to ask anything related to the process of doing this research. I also thank to my beloved friends, mbak endah, mbak tri, aisyah, ganes, sampurno, iftitah, mbak hana, and mbak mirna for giving me some supportive words to finish this research quickly.

Lastly, I give my biggest thanks to my future husband who became my biggest motivation in accomplishing this research.

I feel so grateful for all people who encourage me to finish this research. Because of their encouragement and help, this research had been accomplished. Hopefully, this research can be beneficial for everyone who read this research.
