APPENDIX A
Survey Questionnaire

Dear respondents:

Greetings of Peace and Prosperity!

I am Queenie Pearl V. Tomaro, a master's student in Government Affairs and Administration of Universitas Muhammadiyah Yogyakarta, Indonesia. I am currently in the data gathering stage of my research entitled, "**Public Support towards the War on Drugs Strategies of the Duterte Administration**". The purpose of the study is to capture the factors behind the support of the public to the War on Drugs strategies of the current administration and on the extent of this said support. The chosen research setting is Cebu City, particularly the three top performing universities in Cebu City. The survey is to be conducted to the students of Bachelor of Arts in Political Science.

Towards the completion of this academic endeavor, I am asking for your time and patience. The pages attached to this letter are survey sheets that are in need of your valuable answers. Please answer honestly. The gathered data will only be used for academic purposes and utmost confidentiality of your answers will be upheld.

In cases that inquiries and clarifications may arise, please email me at queenietomaro@gmail.com. I am hoping for your positive response and may sustaining power and academic vigor be upon us all.

Respectfully yours,

Queenie Pearl V. Tomaro
