Acknowledgement

I really thank Allah who always gives blessing, guidance and health to me so that I can accomplish this research. Several parties had supported me for completing this *skripsi*. Thus, I would like to say my thankfulness for them.

Firstly, I would like to say thank for Mr. Endro Dwi Hatmanto, Ph. D as my *skripsi* advisor. I can supervise myself for completing my *skripsi* because of his advice, guidance, and encouragement. May Allah give me reward to what he has done. Then, I also would like to express thank for my first examiner, Ms. Arifah who had given me advices that made my *skripsi* better. For Mr Andi as my second examiner, I would like to say thank for his advices in completing my *skripsi*. Then, I would like to deliver thank for all of the lecturers at ELED of UMY who had taught me patiently and passionately. Moreover, I would like to say thank for the staff members who helped me for completing the documents needed.

Then, I would like to express my pleasure for my beloved parents, Mr. Mulyono and Mrs. Biyati who always support me financially and encourage me mentally while my undergraduate study. In addition, I really would like to give special thank for my beloved friend, Tika, Amel, Yunita, Peti, Nunung, Laras, Usy, Puji, and Wichda who always make me feel enjoy and fresh while I am finishing my *skripsi*. Lastly, thanks to all members of C class for the support which had been given for me.

I do really be thankful for all of the support and help. This research had been better accomplished because of your encouragement. Finally, I hope this research can be beneficial for everyone who read this research.
