Firstly, all praises to Allah SWT, for all His blessing throughout my journey to finish this research.

I would like to express my sincere gratitude to my supervisor Mrs. Indah Puspawati, S.Pd., M.A. for the invaluable guidance she gave me, for sharing expertise and giving me the encouragement to finish my research.

I would also like to express my gratitude to both of my examiners Mrs. Maryam Sorohiti, S.S., M.HSc and Mrs. Puput Arfiandhani, S.Pd., M.A., without their advice, I wouldn't be able to finish my research.

My fullest gratitude is to number one teachers, my parents. They taught me how to be an independent person; they taught me to be brave and to push myself forward. They give me the opportunity to be whatever I wanted to be, and I choose to be an Educational provider. They, who believe in me every-single-time, provide the most important thing in my life, love. To my ayah and ibu, I love you. And of course, to my beloved siblings, Nofa and Ajie, who teach me how to be the good younger and also older sister for them. I present this research for them.

To the one and only Alfian Rizky, you are the best friend and I am beyond grateful to have you in my life.

I will never forget my ELED friends. Inner circle: Tia, Ghaza, Althof, Sabi. These lovelies: Lia R., Naula, Desi, Nandiva. My skripsi pals and gals: Dina, Ilyas, Bella, Laras S.
