## DECLARATION

Name : Satria Malik  
Student Number : 20140430326

I hereby declare that this undergraduate thesis entitled: **“DEVELOPING THE RESILIENCE OF PRESSURE INDEX ON ISLAMIC BANKING IN INDONESIA”** does not consists of any content that ever being proposed for any degree in order university, ideas of any study and publication of others, in exception all quotes and ideas which are purposely taken are considered as the research references and listed in the reference list. Therefore, if any violation of intellectual right is found in this research, I agree to accept any relevant academic consequences.

## ACKNOWLEDGEMENT

Bismillahirrahmanirrahim

In the name of Allah, the most Merciful, the most Gracious. All praise is due to Allah; we praise Him, seek His help, and ask for His forgiveness. I am thankful to Allah, who supplied me with the courage, the guidance, and the love to complete this thesis. Also, Peace and salutation always be to the Prophet Muhammad peace be upon him altogether with his accompanies.

This undergraduate thesis entitled **“DEVELOPING THE RESILIENCE OF PRESSURE INDEX ON ISLAMIC BANKING IN INDONESIA”** has been made as partial fulfillment for the requirement to achieve the bachelor degree of economics. So that, I would like to thank all people who have contributed and special appreciation to the parties. In particularly they are:

1. My Mother Hj. Herlina and My Father H. Muhammad Nasir thank you for being patient and sincere in caring and educating me with affection until this moment. I hope with the completion of this undergraduate thesis can make both my parents proud.
2. Bp. Dimas Bagus Wirana Kusuma, S.E., M. Ec., Ph.D. and Ibu. Prof. Dr. Jarita Duasa as supervisor who have been patient to guide until the point of this undergraduate thesis is completed.
3. Dearest family of Pondok Pesantren Mahasiswa (PPM) Ar Royyaan – Baitul Hamdi Yogyakarta.
4. Dearest family of IPIEF 2014 who for almost four years become the best classmate.
5. Dearest family of Beji Squad, KKN International 2019.
6. Dearest family of SIAS International University, China.
7. For all lecturers and staff of IPIEF who have provided outstanding supplies and lessons and all parties who have provided support either

directly or indirectly and encouragement to this undergraduate thesis can be resolved.

In closing, this undergraduate thesis there are still many errors and shortcomings, therefore it takes criticism and suggestions that build for better results again.
