DEDICATION PAGE

Bismillahirrohmanirrohim

All praise belongs to Allah SWT for all his guidance and mercy who has been providing health, strength, smoothness, and patience so the author able to finish the Undergraduate thesis. This undergraduate thesis would not be finished without the support from my parents, my family, my best friend and all of my friends during having the undergraduate thesis and campus life. The author's also would like to give big appreciation to:

1. Big and special thanks to my beloved parents, Ir. Yuyud Wahyudin and Dra. Euis Nurjanah for all that you have been given to me, love, and spiritual support. Thank you for the support and prayer that is always given in every step of the search for this knowledge.
2. Special thanks to my sister Alma Ananda Alieva Noor Wahyudina who provided support and prayer. Success for all of us, let's be independent and work hard for a better future.
3. Thanks to Bang Edward Trias Pahlevi who provided feedback, suggestions and support.
4. Thanks to the Komunitas Independen Sadar Pemilu (KISP), which has become a community to seek knowledge especially about elections.
5. Thanks to Pimpinan Ranting Pemuda Muhammadiyah (PRPM) Leuwiliang.
6. Thanks to Bang Eky, Bang Wildan, A Perhat, Mba Preti, Iqbal, Fairuz, Delila, Hana, Aisyah, Hima, Syafiq, and all of the KISP Volunteers.

PREFACE

Bismillahirrohmanirrohim

All praise belongs to Allah SWT for all his guidance and mercy so that the writer been able to finish Undergraduate thesis titled “The Model of Political Access Improvement for People with Disability Conducted by General Election Commission (KPU) of Yogyakarta City in the 2019 General Elections”. Sholawat and Greetings go to Prophet Muhammad SAW, the lighter, the greatest person as the messenger all knowledge to Muslim and His believer. This research aims to describe how the model of political access improvement for people with disabilities, especially as a voter by the General Election Commission (KPU) of Yogyakarta City as the organizer of the general elections in the 2019 general elections and to determine the modeling procedures carried out by the General Election Commission (KPU) of the city of Yogyakarta in making models for increasing the political participation of the disabled people in the 2019 general elections.

The writer realized that this research still has many weakness and imperfections, the critique, and recommendations for greatness in the future are hoped. Moreover, I hope it can contribute as the reference for literature studies, about the model of political access improvement for people with disability. This Undergraduate Thesis would not finish without the support and help from the lecturer and all the staff in Faculty of Social and Politic Sciences.
