My beloved family:

H. M. Bintoro

Hj. Tuny Bintoro

Ratih Fenty A. Bintoro

Nadia Y. Bintoro

Trista Y. Bintoro

Ravegy Bintoro

## FOREWORD

Alhamdulillahirabbil'alamin, all praises belong to Allah, the Lord of the universe, the Most Gracious, the Almighty, who has given His blessing and guidance. Finally, I am able to finish my undergraduate thesis under the title "The Protection of Persons with Intellectual Disabilities in the Special Region of Yogyakarta".

My sincere gratitude is addressed to my advisor, Mr. Iwan Satriawan, S.H., MCL., Ph.D. who has guided me throughout this process patiently and wisely. My humble appreciation also go to all staffs at the Faculty of Law for their assistance during my study at Universitas Muhammadiyah Yogyakarta. Also to Mr. H. Nasrullah, S.H., S.Ag., MCL, as the Director of International program for Law and Sharia and all the lecturers of Faculty of Law, Universitas Muhammadiyah Yogyakarta for the support, wisdom, and knowledge during my study.

My deepest gratitude goes to my family; Papa and Mama, for their prayers, encouragement and love, for always supporting all of my decisions to help me grow as a person I am now. To my sisters, for always being the role models and life mentors, to my nephew and niece for making me want to finish this as soon as possible and go back home. Last but not least, the special one, to my amazing little brother, Egy, the reason why I chose this topic, and to all of your friends who also have a third copy of chromosome 21. I am very proud for having you as my brother.

I thank my friends in IPOLS Batch 2014, especially Rizky Ella S, Nerissa Azmes, Reza Fahlevi, M. Arif Hartavian, Shabrina N. Adli, and Nur Qumairah A, the ones who always stand beside me since day one. Also to my friends in IPOLS Batch 2015, for helping me throughout my study.

At last, I realize there are unintended errors in writing this undergraduate thesis. I would be very pleased if all readers to give the suggestion in order to improve its content. Hopefully, this undergraduate thesis will be useful for all in the future. Amen.

Yuanita Brillianty Bintoro
