**Motto**

“Success is to be measured not so much by the position that one has reached in life as by the obstacles which he has overcome while trying to succeed”

(Booker T. Washington)

“90 % of all those who fail are not actually defeated. They simply quit”

(Paul J. Meyer)

“Sometimes there will be people we love leave us when we are struggling and we desperately need their support, that’s called an ordeal. We have to be strong and rise up. Don’t ever feel lonely. Rest assured there is Allah SWT who will always there for us to make things easier for us and remember that there are still many people who love you”

## Acknowledgement

Alhamdulillahirobbilalamin, praise be to Allah SWT the almighty and the most merciful that because of His blessing this research with the title: Teachers' perception on group formation method in group discussion finally complete to obtain a bachelor of Education degree in English Language Education Department at Universitas Muhammadiyah Yogyakarta.

The writer would like to express her genuine gratitude to:

1. Miss Ika Wahyuni Lestari S.Pd., M.Hum, my *skripsi* supervisor who has been very helpful, patient and kind in giving me advice, guidance, assistance, and her valuable time during process of writing this research.
2. Miss Fitria Rahmawati, S.Pd., M.Hum and Miss Arifah Mardiningrum, S.Pd.MA who became the examiners in my presentation. They help me to make this research better.
3. My parents, Umi and Ayah who always support and pray for me and also patient in waiting for my graduation.
4. My best friend, Yulianti Lamentila, she who always patient to accompany me for consultation to my supervisor. We both often stay too late doing the *skripsi*.
5. Muhammad Lutfi Akbar, I call him "Dudut". He is my cute nephew. He also always accompany me to go to the campus for the consultation and waiting outside the office with Yuli until I finished consulting. He is the drugs that can cure a sense of my confusion and stress about my *skripsi*.
6. Mbak Cempluk, she is Akbar's Mom. She always give me advices and dun me for my graduation.

7. Rina and Indira, those who help me to finish my *skripsi* and present at my defense to support me.
8. Blinton Nababan. He is my boyfriend as well as brother who always give me motivation to stepping forward. His words who makes me feel compelled to not lazy and didn't delay to write my *skripsi* again.
9. Santo Hutagaol. He is my best friend too. He is my sharing friend. He is always there when I need him.
10. Teachers at one private university in Yogyakarta who became my research participants. They helped me to get clear data for this research.
11. All friends ( Amiya, Ayu, Lilik, Masta, and Ita ) who always be my friends, supporting and praying for my graduation.
12. Last but not least, those who cannot be mentioned one by one, who helped and support me to finish this research.

Finally, I realized that this research is far for being perfect. Therefore I invite you as the readers to give comments and suggestions. The comments and suggestions will be gladly accepted. However I expected that this research will be beneficial for the readers.
