Acknowledgements

Alhamdulillahirabil'amin. All praises to Allah SWT, for giving me healthy and mercy so that I can finish my *skripsi*. Then, I want to thank for the most important person in my life, without them I am not who I am now. They are my parents. They were the most influential people in my life especially on my college trip. They are people who never stop to always pray for me and encourage me. My father's name is "Balhi" and my mother's name is "Rusmi". Those two great names are names that I always remember when I felt like giving up in completing my final assignment, *skripsi*. There is no word that can describe how big the struggle of my parents in my life, especially in my college. What I want to say is thousands of thanks for sincerely giving me support in completing the studies both material and non-material. Even though thousands of thanks will not be able to repay all your kindness in my life. But, for you mom and dad, I promise that someday I will make you proud of me. I love you so much, mom and dad.

Next, I would like to say thank for my sisters. They are Novi, Nike and Nina. The three of them are people who have never been tired to advise me, give me support and always remind me to always try to be the best. Once again, thank you very much for my lovely sisters. After that, for my beloved supervisor, Mrs. Fitria Rahmawati M.Hum, thank you very much for being patient in giving me directions and helping me to complete my *skripsi*. My grateful thanks also being presented for Mr. Andi Wirantaka M.Hum and Mr. Endro Dwi Hatmanto, Ph.D as my examiners who have gave me suggestion to

make my *skripsi* better. Then, special thanks for Haikal Fasya, a man who always gave me motivation to finish my *skripsi*. For all my friends in PBI UMY, thanks for the memory that we have made together. I am so lucky to have you in my life.
