

Appendix

No	Topic	Sub-topic	1	2	3	...	35
1	hospital						
2	type	public					
3		private					
4		teaching					
5		N/A					
6	location	urban					
7		rural					
8	country	fill with the country's name					
9	specialization	general					
10		speciality mentioned					
11	system						
12	type	complete					
13		partial (cpoe only, cdss, etc)					
14	implementation location	whole hospital					
15		specific department					
16	builder	homexgrown					
17		commercial					
18		open source					
19	integration	fully digital					
20		mix with paper					
21	stage of implementation	1 to 8					
22		N/A					
23	maintenance	yes mention					
24		no					
25	hardware	explain detail/detailed enough					
26		not explain					
30	implementation cost						
31	funding source	government					
32		private					

33		internal					
34		insurance					
35	amount	yes					
36		no					
37	if yes	fill with the amount					
38	development cost	direct					
39		indirect					
		N/A					
40	cost saving						
41	direct/indirect	direct (describe)					
42		indirect (describe)					
43	ROI						
44	outcome measures						
45	implementation step						
46	preparation						
47	design						
48	implementation						
49	evaluation						
50	paper type						
51	survey						
52	original research						
53	qualitative						
54	quantitative						
55							
56	multi hospital						
57	single hospital						
58	barriers / challenges
