Acknowledgement

All praises to Allah, who has given me spirit, power, blessing, and motivation to complete this *skripsi* entitled “Students’ Attitudes towards Blended Learning Implementation in an EFL Classroom”.

I would like to address my great appreciation for the people involved in the writing process of this *skripsi*. First of all, my dearest parents who have been there since day one, thank you for always supporting in me for always giving me suggestions and motivation more than enough, for always standing by my side when times get hard. Special gratitude to my marvelous supervisor, Eko Purwanti, Ph. D. who always does the consultation session per week without absent. Thank you for always encouraging me, for your patience in guiding me, for constantly giving the support I need and for telling me “do not be afraid, make it done and don't worry that you will get some revisions”. I couldn’t ask for a better supervisor. Thank you for the advice, kindness, and support to make me finished this *skripsi*.

Furthermore, for my examiner Puthut Ardianto, S.Pd., M.Pd. Thank you for the amazing guidance and suggestion to make my *skripsi* better.
Thank you for all the respondents of this *skripsi* and the administrative staff Wahono who gave me the data for the course schedule. This *skripsi* would not have been completed, without you.

Special thanks to my best friend Safira who has helped me in SPSS and thank you for being a place that I can call home by listening to my concerns both sad and happy about this *skripsi*. Also, thanks to my friends Dickia and Farah for

giving me your support and motivation so that I did not give up on writing this *skripsi.*

Last but not least I want to thank me. I want to thank me for believing in me. I want to thank me for doing this whole work with my struggle, tears, and stuff. I want to thank me for never stop pray and convinced that the happy ending is the end of my *skripsi* journey.

Abstract xi

Chapter One 1

Introduction 1

Background of the Research 1

Identification of the Problem 3

Delimitation of the Study 4

Research Question 4

Objectives of the Research 4

1) to identify the students' attitude towards the classroom learning factors of blended learning. 4

2) to investigate the students' attitude towards the online learning factors of blended learning. 4

3) to find out the students' attitude towards the learning management factors of blended learning. 4

4) to inquire the students' attitude towards the learning flexibility factors of blended learning. 5

5) to examine the students' attitude towards the Online Interaction factors of blended learning. 5

6) to investigate the students' attitude towards the technical support of blended learning. 5

Significances of the Research 5

For the teachers. 5

For other researchers. 5

For institution. 6

Organization of the Chapter 6

Chapter Two 8

Literature Review 8

The Concept of Blended Learning 8

The Benefits of Blended Learning 10

Providing independent learners experience. 10

Supplying more personal supported learning. 11

Encouraging the independent and collaborative learning. 11

Increasing the students' engagement in learning. 11

Giving variety of learning styles. 12

Providing practice space beyond the classroom. 12

Giving high motivated practice to the target language. 12

Providing flexible instruments. 13

The Benefit Blended Learning in English Foreign Language (EFL) Classroom 13

Improving Writing Skill. 13

Improving Reading Skill. 14

Improving Speaking Skill. 14

Improving Listening Skill. 14

Blended Learning Factors Toward ELF Classrooms 15
