Acknowledgement

Bismillahirrohmanirrohim. In the name of Allah, the most Merciful. I would like to thank Allah SWT who gives me opportunity to learn and finish my study at ELED of UMY since 2014. I would like to thanks Allah who blessed me and give me healthy so I can accomplish my thesis.

In the process of making this thesis, a lot of people gave motivation, advices, and support for me. I would like to thank you for all people that I loved.I dedicate this thesis to anyone who asking me when my research to be completed, late pass or not on time is not a crime and not a disgrace. It would be silly if someone judging someone's brains and intellectual only from who's the fastest will graduated. Isn't it the best thesis is a completed thesis? Even that is completed on time or not. First, I would like to declare my deep gratitude to my endless love, my father and mother who always support me and always by my side when I have down. They are best parent ever.In the process of making this thesis a lot of people gave me motivation, advices, and support. I would like to thank you for all people that I loved. First, I would like to declare my deep gratitude to my parent who always support me and always by my side when I have down. They are best parent ever. Second, greater gratitude to my supervisor Ms. Eko Purwanti who gave support, motivate, and be patient on me. It's really wonderful to be one of Ms. Eko's students, she's always give the best advice to me, always patient in guiding me while I am doing my thesis and I really thank to Ms. Eko who guide me until I finish my thesis. Hopefully, Allah will always protect you with your kindness. Moreover, I would like to show my gratitude for all the lecturers at ELED of UMY who have taught and share their knowledge during my study in this department. Especially for Mr. Suryanto as my examiner who gave good advices to make my thesis to be better.

I would like to thank you for myentire friend at ELED of UMY, especially students of batch 2014. Even though we did not know or close each other, but I will always support for your success. Everything was change since we learn at this department on 2014 until this year. I hope Allah always bless you and give us a chance to meet in the future.

The last, I would like to thankfully my beloved friends who always accompany meandgive learning about live during my study in ELED of UMY. Especially for Asik Hanita, Herfani Winata, Ilyas Ghifari, Thomi Bhariq Ghazala, Tigor Wira Prakasa, Ayodya Putra, Fauzan Hakim, Raisa Fahniadi Setiawan Munthe, Afdil Azmi who have supported me on the process of my thesis.I would like to thank you for Nandiva Yasmine, who always accompanies me in the entire process of my thesis and pretty handy in helping me while I am getting stuck and doing brainstorm. You guys make me become strong and know how to be a human with a good heart. Hopefully Allah gives an amenity for your business and get what you want in the future. I love them so much.
