TRIBUTE PAGE

In the name of Allah the Lord of mine.

I thank Allah for everything He had given to me. For every blessings and its overwhelming goodness and His unpredictable grace that happened in my life. I praise Allah for everything, I dedicate everything in this life for Allah, I was nothing but His slave that means not even a thing without Him. Thus, I created this thesis and finished already are nothing without his amazing help and its blessing, for all the happiness, joy, and amazing things, Allah is the cause of every good thing. Hopefully, through this starter step, Allah will let me go through the other unexpected journey of life within His beautiful plan. Aamiin..

For one and only, for the world's best parents of mine, Ayah and Ibu who have given me so many things that is uncountable, who teach me and guided me to become the person that I am today now. For being the first best listener, advisor, and for all the prayers that lead me to my success and every step that I face in life, I thank both of you for that. Having you as my parents is one of the best gift and best blessing from Allah that needs to be thankful and proud for in every single day of my life. For all the love, affection, and other things that I cannot pay back, I hope every good thing I achieved in life will always put a smile right there on your lips, for every success and everything I do, is all dedicated for both of you. I love you, Ayah. I love you, Ibu.

As an addition, dedication also I proudly and happily awarded for my beloved Mas Nanda and Dek Sukma. Thank you for being the best sibling ever. Thank you for your endless support, affection and love. May Allah give us more

chance to make Ayah and Ibu happy and proud of having us as their children. Aamiin.
